# Welcome

Hi, I'm Corinne—a mom of five who knows firsthand how quickly school years fly by. One day you're packing that first lunchbox, and before you know it, you're cheering at graduation. The little moments in between? They're the real treasures.

That's why I created the Schoolwork Organizer—a simple, stress-free way to help you keep the memories that matter most without drowning in piles of papers.

Inside, you'll find easy-to-use pages and checklists to help you decide what to keep, what to let go of, and how to store those special pieces—from first-day photos and report cards to artwork, awards, and sweet notes. By the end of the year, you'll have a beautifully organized collection that tells the story of your child's growth, achievements, and personality.

Whether it's a silly doodle, a proud report card, or that heartfelt letter they wrote you, these are the moments worth saving—and now you'll have the perfect place for them.
